GREAT COMPETITION!

Motor racing is excitement and fascinating entertainment for people of all ages. **Carrera** offers perfect conditions for getting away from the grid wherever you are in the world. Innovative technology, a unique degree of detailed authenticity and all the latest models from the world's top racing series enable you to get together at home and enjoy speed, fun and excitement whenever you're in the mood. That's what makes **Carrera** action so peerlessly absorbing. Whether putting your foot to the floor in the straights, finding the optimal braking point in critical bends or pulling off spectacular drifts – this is how to separate the true champions from the masses. **Carrera** has been a guarantee for the 'real race feel' for almost 50 years! In this period this brand name has become a true legend in its own lifetime. **Carrera** - Motorsports at home.

NEW

PURE RACING FEELING!

Be closer to reality with the new Carrera DIGITAL 124/132 products! Tactical races will be a further challenge to meet. The Control Unit which acts as the new core allows programming braking performance, tank capacity and speed [performance]. The Driver Display shows each driver's own tank capacity, the number of Pit Stops (max. 10) as well as the current race position – this demands great tactical skill. First the startlight will get your adrenalin pumping - then you will enjoy the real racing kick at full speed. The current race position may always be under control with the new Position Tower.

1 Carrera DIGITAL 124/132 Control Unit

- Possibility to programme:
 - braking performance
 - power (maximum speed)
 - tank capacity
- Pit Stop functions
